

EXHIBIT 96

**DECLARATION UNDER PENALTY OF PERJURY
PURSUANT TO 28 U.S.C. § 1746**

1. My name is Allen Burleson. I am over eighteen years of age and competent to testify to the matters contained herein.
2. I am a resident of Cobb County and my address is [REDACTED] Marietta, GA 30066.
3. My individual circumstances are the following:
 - a. My wife and I both went to the DMV to get our voter registrations changed to match our driver's licenses in our county after we moved. She and I did the exact same thing at the DMV, no difference.
 - b. On Election Day, I arrived around 9 a.m. to vote at Beautiful Savior Church with my wife and waited approximately 20-30 minutes to get to the front of the line. My wife entered first and was able to vote electronically without an issue.
 - c. I showed my license to the first poll worker and I was allowed to enter the location. I believe the poll worker was checking to make sure I was in the right precinct by "eye balling" it. I arrived at the next poll worker and gave him my license. The poll worker said that I was in the wrong precinct and had to vote provisionally.

- d. The poll worker called the Board of Elections and told me that the reason for the error was that I or someone at the DMV had selected an option that stated I did not want to be registered to vote at my new address, which I did not ask for or choose.
- e. While waiting to vote provisionally, the poll worker made a comment that "You know that they're only going to count a few of these names right?" The poll worker was an older man in his 70s.
- f. I cast my provisional ballot and received a receipt - the ordeal totaling around 2 hours.
- g. I was not informed at the precinct that I had to contact the Board of Elections to cure my ballot. I was also not contacted within the 3 days by Cobb County to cure my ballot. I only knew about curing my ballot because I received a text at 4:50 pm to cure my vote but did not see it until after 5 pm, which was after the deadline.
- h. I did not get a chance to cure my ballot so my vote remains uncured as far as I know.
- i. My registration, as reflected on the Secretary of State's My Voter Page, is still incorrect as of December 20, 2018, displaying my old address in Fulton County.

- j. I have no idea why my wife and I were treated differently, and why she was able to vote a regular ballot while I had to vote a provisional ballot, when we went to the DMV together and filled out our paperwork the exact same way in order to change our voter registrations.
4. I give this Declaration freely, without coercion, and without any expectation of compensation or other reward.
5. I understand that in giving this Declaration, that I am not represented by a lawyer. Nor has any lawyer asked me to be their client or to serve in anyway as anything other than a witness in this litigation.
6. I declare under penalty of perjury that the foregoing is true and correct.
- Further affiant sayeth not, this the 31st day of January, 2019.
